Ace Taxi Service, Inc., the largest locally owned and operated taxi company in the city of Cleveland, has the latest technology to make hailing a cab in Cleveland and all cities within Cuyahoga County much easier via APP , [www.acetaxi.com](http://www.acetaxi.com) and phone to 216-361-4700.

At Ace we are committed to the implementation of new advances in our industry that will make our taxi and related transportation services the safest and most efficient in the Greater Cleveland area.

Our company owns 4 fleets of vehicles in Northeast Ohio, including Ace Taxi, Ace Flyer, Ace Express, and Ride CLE and has been coordinating with many jurisdictions and school systems on meal deliveries and other transportation needs.

We have the resources to put our team into action immediately to deliver these services to Northeast Ohio. Our routing system allow us to complete deliveries and provide passenger transportation in the most efficient manner.

All vehicles have been stocked with FDA and CDC certified disinfectant/virucide for the protection of drivers, passengers and products that are transported. Every vehicle will be disinfected after each trip serviced. We will continue to update our precautions to ensure the safety of our drivers and the passengers.

We will be available to coordinate with interested teams and can implement our services ASAP. Please forward this information to any and all personnel concerning our taxi service.

We are tracking the latest reported information from public health experts and trying to stay apprised of the latest developments regarding the spread of the coronavirus in the U.S., and we are urging all, including our clientele, to do the same through reliable media sources. If appropriate, we will continue to share more information with you as we work to help protect our riders, drivers and employees from the spread of the coronavirus.
